

SIXTH FORM OPEN EVENING

USEFUL INFORMATION

There is no parking available for parents on-site during the evening, so please arrive in plenty of time and park considerately in our neighbouring streets.

We do ask that all visiting students are accompanied by an adult wherever possible.

Once you arrive, please make your way to the school Atrium, (there will be guides on hand to direct you).

You will see QR codes around the site that will take you to a form where you can leave your contact details with us, (we ask that you please complete this at some stage during your evening with us).

Once entering the Atrium you will receive a brief subject information pack, on which there will be three further QR codes. One will take you directly to our online application form, one will take you to a more detailed subject information booklet and the third will take you to our Sixth Form prospectus.

Upon receiving your pack, please inform one of the many staff and students that will be on hand, which subject you would like to visit first and we will see to it that you are taken there.

Upon completion of your visit to that department there will be guides to direct you back to the Atrium so that you can repeat this process, (inform us of the next subject you wish to visit and we will see to it that you are taken there...and so on)

There will be two scheduled Headteacher presentations in the main hall on the night, 7:00pm – 7:30pm and then a repeat presentation 8:00pm – 8:30pm. If you wish to attend one of these speeches, please organise your subject visits around your preferred time-slot.

Should you wish to purchase any refreshments, the Holcombe PTA will be selling food and drinks in the Atrium throughout the course of the evening.
