

Engineering & Technical Pathways

- Renewable Energy Roles (Solar Installer, Wind Turbine Engineer, Energy Analyst)

01

Attributes

- Environmental motivation
- Attention to detail
- Patience & discipline
- Risk awareness
- Communication skills
- Adaptability

02

GCSE Grades

- Maths- 7
- Physics- 7 OR
- Double Award Science- 77
- Geography- 6
- English Language- 6
- Chemistry- 7

03

Preferred A-Levels

- Mathematics
- Physics
- Geography
- Chemistry

04

Typical University Courses

- Renewable Energy Engineering
- Environmental Engineering

05

Career Opportunities

- Solar Installer
- Wind Turbine Engineer
- Energy Analyst
