The screenshot shows a web browser window with two tabs: 'Access Panel Applications' and 'Know How - Student - Unifrog'. The address bar shows the URL 'unifrog.org/student/know-how'. The page features the Unifrog logo and a navigation menu with links for HOME, SHORTLISTS, LOCKER, APPLY, HELP, and a TEACHER button. A progress indicator shows three steps: 1 Start, 2 Filter, and 3 Learn. The main heading is 'Know-how library' with the subtitle 'Use our guides to find out what you need to know'. Below this is a search section titled 'Search by keyword' with a text input field containing 'Personal statement' and a 'Go >' button. The Windows taskbar at the bottom shows the search bar, task view, and icons for Chrome, Outlook, and PowerPoint, along with the system tray showing the time 10:04 and date 19/05/2020.
