

**Year 11
Information
Evening
2023**

Introduction

Welcome to Year 11.

This year your son will complete one of the most significant stages of their education.

During Year 11, decisions will need to be made that will have an impact on the rest of their lives. To ensure that as many options as possible remain open to them, much depends on what happens over the coming months.

This evening and this guide are designed to help you support your son through this time. We have included:

- What you can expect from us
- What we expect from your son
- What you can do to encourage their achievement
- Key dates for this year
- Sources of further information

We hope that you find this useful.

Our Partnership

We believe strongly that the best results are achieved when the school, parents and students work together. At the outset we would like to set out our expectations of how we can best work together over this final academic year. Our staff are contactable via the school office or through email.

The Role of the School

All members of Holcombe Grammar School staff are committed to working hard and promoting the best for your children. In addition to subject teachers, there are several key members of staff that will be supporting your son:

The Form Tutors:

11Ar Miss Geldart / Mrs Obee

11Ba Mr Rangecroft

11Co Mr Nanson

11Gu Mr Williams

11Sh Mrs Ortega-Izquierdo / Mrs Caffarena Fernandez

Your son's tutor is the central figure responsible for student welfare and progress at Holcombe Grammar School. They are available for consultation and advice on any aspect of your child's progress.

Whilst the Form Tutor is your primary point of contact, you can also discuss concerns with:

Miss A Tanti

Miss S Lyons

Miss J Lee

Deputy Headteacher – Outcomes

Lead Practitioner for KS4 Outcomes

Head of Year 11

The Tutorial Programme

All year 11 students have one PD (personal development) lesson per week. In addition there are 35 minutes of Tutor time built into each school day. Tutors provide extensive support to their tutees at this time, discussing matters including:

- Post 16 options
- Careers
- Study skills / time management
- Organisation / meeting deadlines
- Examination preparation / Revision skills
- Aspirations
- Managing stress

Alongside this, we currently offer a carousel of revision style sessions on a Wednesday morning. This currently covers:

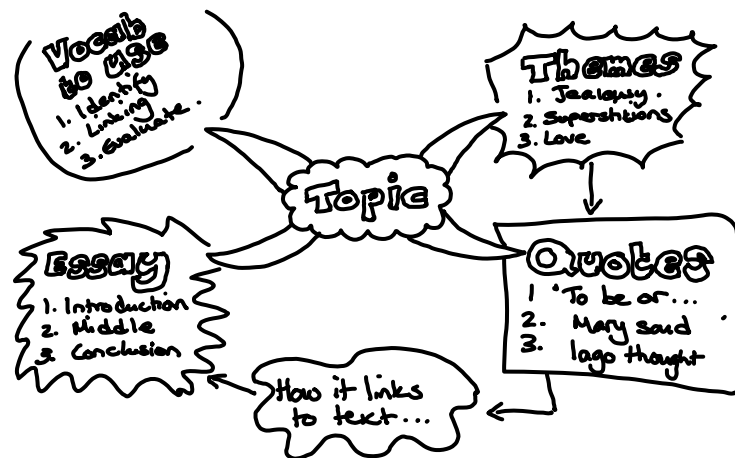

MFL (French and Spanish)

Maths

English

Science

Humanities (History and Geography)

Assemblies

Year 11 students will have 1 assembly a week.

- This assembly takes place in the Main Hall and is held by members of the Senior Leadership Team and Heads of Department. These often focus on citizenship as well as exam preparation and next steps.

Assessment and Reporting

Work is continually assessed in all subjects. This may include:

- Written assignments
- Class activities
- Group projects
- Practical assessments
- Tests
- Presentations
- Self-assessment
- Peer-assessment
- Preliminary Exam Papers

Feedback is continuously given by staff. However, on three occasions over the year there will be formal assessment data sent to you:

- 6th November 2023 – Prelim Grades Collected with results day scheduled
- 19th February 2023 – Prelim Grades Collected with results day scheduled
- 26th February 2023 – Full Written Report Published

The Year 11 annual Parents Evening will be held on 30th November 2023.

Support Sessions

We currently provide a very extensive range of support activities throughout the year. We encourage all students to get involved somewhere. A timetable of all support sessions available to students via teams and displayed in form rooms. Many departments are running additional study support after school. All students should aim to try to attend at

least three support sessions each week. It is important that students bring queries with you.

The Role of the Student

In order to achieve their full potential we expect all Year 11 students to follow the code of conduct as signed by all pupils in Year 7.

Holcombe Grammar School students will:

- **work hard, allow others to learn and follow staff instructions**
- **come to school on time, in uniform, with the necessary equipment, planner and homework**
- **be polite, responsible and well mannered and show consideration and respect for others at all times**
- **maintain a clean, safe and pleasant working environment**

Year 11 students are also guided by a set of aims that develop a good working environment and ethos. It is expected that all students continue to follow these aims, which are:

- **Working together**

Cooperating with each other and helping each other achieve. Reporting any problems that you have seen or heard.

- **Reaching your potential**

Working hard to achieve or potentially exceed your benchmarks and getting the best possible results at the end of the year.

- **Taking pride in your achievements**

Be proud if you have done a good piece of work, achieved a good grade or performed well.

- **Be responsible for your own actions**

If you have done something wrong – accept it, learn from it and move on.

The Role of the Parent

It has been calculated that in the first 16 years of a young person's life, only approximately 11.5% of their time is spent in school. Therefore, we draw to your attention how you, the parents, can support your child over the course of Year 11. We would ask you to:

- Take an active and sustained interest in their work. Look at and help them with homework, ask them what they are learning and discuss marks with them. The best way of doing this is to ask them to teach it to you.
- Try to encourage them to get the work/life balance right. They will need to get all work done on time, but will also need plenty of sleep, exercise, rest and a balanced diet.
- Support us in encouraging them to abide by our code of conduct.
- Carefully study reviews and the full report when issued. Discuss with them and contact us if you have any questions
- Attend the annual parents' evening.
- Check and sign the planner weekly and use the planner as a means of communication.
- Make sure that they come to school on time every day. Research has shown that an attendance rate of 90% (equivalent to missing ½ a day a week) will result in students achieving a whole grade less than would be expected. **Please do not arrange family holidays during term time.**
- Try, as much as is possible, to ensure that students are fully equipped for school – particularly stationery and a bag that is large enough to hold an A4 folder.
- Provide time and a suitable distraction-free space for your child to work in at home. Do they have the basic equipment that they need? Try to make homework an integral part of the evening routine.
- Keep up to date with what is going on at school. We publish a blog every other Friday that as parents you can access via the school website.
- Find out examination timetables and help devise realistic revision schedules.
- Direct them to relevant revision sites – though make sure they aren't tempting to waste valuable revision time idly surfing the net.

GCSE Grades Explained

GCSE Grades

All GCSE examinations use the following grades

9	8 7 6 5	4	3 2	1 U
Outstanding	Good Pass	Pass		Fail

A grade 6 or higher will be needed if that subject is to be studied in the 6th Form (7 for maths).

Year 11 Examinations

- At the time of publishing we have been told that Language Speaking exams start on **22nd April 2024**.
- Written exams start on **13th May 2024**.
- Details of the exam boards for each subject can be found in the information booklet and the school website.
- Each year the exam boards designate dates as 'contingency days', which are additional exam dates which will be used in the event of national or significant local disruption to examinations:
- **6th June 2024 (pm)**
- **13th June 2024 (pm)**
- **26th June 2024**
- All exam students should therefore ensure that they are available until **26th June 2024** should there be exceptional circumstances that require an exam board to reschedule an exam
- GCSE Results Day: **Thursday 22nd August 2024**
- We are not able to email results to students, so if you are unable to attend, you can nominate someone to collect your results on your behalf.

Holidays must not be booked during these times.

Post 16 thoughts

Your son must now be thinking carefully about their post 16 plans. There are a number of options available to them, however it is becoming increasingly difficult to secure full time employment and therefore further study or training is highly recommended.

Holcombe Grammar School Sixth Form

We are privileged to have a large and successful Sixth Form. We only offer A level qualifications. Students have opportunities in a wide range of extra curricular opportunities and have separate social and study facilities from the rest of the school.

Further information can be found at the:

Sixth Form Open Evening on 16th November 2023 in the Main Hall, 7-9pm.

Modern Apprenticeships

These are extremely difficult to secure and competition is very fierce. Early research is recommended with further information available from the careers officer.

Employment

Securing full time work, with long term prospects is very difficult at 16. Students will be given advice on CVs and application letters during Year 11.

Throughout Year 11 there will be a series of assemblies and programmes which will help students to think about:

- What they want to do after Year 11
- What they need to obtain in Year 11 to achieve this
- Whether they are on course to achieve it

All students will also have an interview with a careers advisor.

10 Keys to success in Key Stage 4

- Find out coursework deadline dates for each subject and stick to them
- Attend after school clubs which provide extra support in many subjects
- Plan revision and coursework – don't leave it until the last minute
- Find a suitable time and place to complete homework
- Talk to staff if problems arise
- Purchase revision guides and use the wealth of helpful information provided on the internet – especially SENECA learning (get specific info from teachers)
- Know your benchmarks and track your progress towards meeting them

- Get a work/life balance – get the work done but also find time to exercise and meet friends
- Eat a balanced diet and get plenty of rest
- Stay calm, work hard and always ask for help

Remember

The successful students are those who are:

- Supported – at home and at school
- Persistent – keep going, even when things get difficult
- Organised – meet deadlines, attend all lessons
- Confident – that they are making progress and succeeding
- Motivated – to succeed and become the best they can be

Upcoming Deadlines

PE - The deadline for practical performance submissions is **9th February 2024**.

Media - The deadline for coursework is **9th February 2024**.

DT - Two Making days will run in Easter half term. Please make arrangements to allow students to attend. Dates To be confirmed. NEA coursework final assessment to allow for adjustments/improvements - **18th April 2024**. NEA/Practical- FINAL DEADLINE **26th April 2024**.

Geography - 2 compulsory Geography trips to complete the fieldwork element of the course due to go out on the 6th of November and 27th of November visiting Minster-on-Sea and Ashford.

Music - Composition: 4th of March 2024. This includes 2 compositions: Free composition and composition to a brief (minimum 3 minutes total and minimum 1 minute each). **Performance: 4th of March 2024**. This includes 2 performances: Solo performance and group performance (minimum 4 minutes total and minimum 1 minute each).

For more information

As explained, for general information on the progress of your son **your first point of contact is the Form Tutor**.

For subject specific information, communicate with subject teachers through the planner or, for serious concerns, contact the relevant Head of Department.

Parental Feedback

Student Name :

Student Tutor Group : 11

Which parts of this evening have you found most useful?

Is there anything you would like information on either in general or concerning your own son specifically that hasn't been covered tonight?

Are there any comments on this evening that you think we should bear in mind for next year?

If you have any comments / requests, please hand this into a member of staff before leaving.

Thank you for coming.
Miss Lee Head of Year 11
