Dear Parent/Carer

I hope you had a good break and would like to welcome students back to the new term. We have had a number of successes in the last couple of weeks which I am writing to keep you informed of.

I am delighted to report that over 40% of Year 11 students have now achieved an A* or A grade in their GCSE Mathematics. In addition, 50 or more Year 11 students have been staying after school each day this week, on a voluntary basis, for extended study with their teachers and preparation for controlled assessments – well done.

I am also pleased to say that four students have received Conditional or Unconditional offers from Oxford and Cambridge and I wish these students well in achieving the grades they will need to secure their places.

The students have coped very well with their new timetables and student feedback regarding the 60-minute lessons has been very positive. Please remember that next week is Week B and it may be worth checking that your son/daughter has the correct books for Monday!

I would like to remind Year 11 parents of the Sixth Form Open Evening next Tuesday, 14th January and all parents of the Parent Council Meeting being held on Thursday 23rd January at 7pm; please let the school office know if you are attending the Parent Council meeting so that we can prepare a suitable venue and refreshments.

Yours sincerely

S. Gardner
