Dear Parent/Carer

13th December 2013

Update to Bus Services

Mann’s Coaches have asked that we clarify the position with their services in the New Year.

The buses currently operate at 15.50; the new service will run at 15.40.

The Council has agreed that the bus will in fact be ten minutes earlier than now and only a five minute longer wait than currently - which will mean that pupils do not need to rush out of school as some do now and the problem of ‘missed buses’ will be alleviated.

In addition the ‘late bus’ will leave at 17.00 in order to facilitate the probable earlier finish of clubs and activities.

In addition please note that bus passes need to be renewed by Wednesday 18th December.

Thank you

Yours sincerely
