Dear Parent or Guardian

As part of the on-going development of students in the Sixth Form we are encouraging students to start to look at their current progress and their possible post A-Level progression. For many of our students this will involve university, whilst for some it will mean entering the work force.

Students need to be aware of multiple key factors when making this decision, even at this early stage, as it will have a huge impact upon their future careers. This will be an invaluable opportunity for parents and students to become aware of the process of applying to university. Thereby we can guide them to ensure that they choose and apply successfully through the university procedures (University and Colleges Admission Service, known as UCAS) and learn more about Student Finance.

On Tuesday 24th March 2015 at 7.00pm we will be providing a year twelve post A-level planning evening for parents and students to outline the steps that need to be taken this year. Naturally as a parent or guardian your input and support is vital and we would be delighted for you to attend.

Regards

Kuldip Jhaj
Head of Year 12

We would like to attend the Year 12 Post A Level Planning Evening Evening on Tuesday 24th March from 7.00pm.

Son / Daughters Name: ...........................................................

Number of people attending: .................................................
