Dear Parent/Carer,

**Year 11 MenACWY Vaccination**

Your son will be bringing home a consent form and information leaflet from the School Health Service, regarding the MenACWY Vaccination which is due to take place in school on **Monday 8th February 2016**.

Please complete the relevant part of the form which indicates whether you do, or do not, consent to your son receiving the vaccination, please also sign and date the form and return it to me by **Monday 1st February 2016** at the latest.

Any students who do not provide a signed consent form may need to make alternative arrangements via their GP to receive this vaccination. This decision will be made by the School Health Team who will contact parents directly in this instance.

Kind regards,

Mrs M Childs
