Dear Parent/Carer,

**Mathematics examinations in May**

Year 10 examinations in Mathematics will take place in the week beginning 9th May 2016, during normal lesson time.

Revision tasks will be set, to assist in preparation for these assessments. Students will be expected to prepare revision notes and review their work from Year 9 and 10. Support is always available on an informal basis, after school in the Mathematics department.

Please check equipment for Mathematics, including protractor, compasses and a calculator.

Assessments throughout Year 10 will be considered, with these examinations, to review setting arrangements.

If you have any questions, please do not hesitate to contact me.

Yours sincerely,

Mrs. F. Williamson

Associate Leader for Mathematics
Chatham Grammar School for Boys
