Dear Parent / Guardian

**Reward TAG Day and Bronze Award Winners Film Night, Friday 16th December**

As part of our student reward scheme, we have two events approaching which you will wish to be aware of. Both events take place on Friday 16th December, and those students who are entitled to participate will be notified by their Form Tutor and be issued a voucher which they will be able to show you at home.

Those students who have earned **10 House points or above during Term 2** will be allowed to wear their own clothes to school on Friday 16th December. This will apply to all year groups, including Sixth Form. To qualify for this reward, students must have 10 or more House points by the end of school on Friday 9th December. Students will be given a voucher to confirm that they have qualified to participate in this event.

Students who qualify should not be wearing earrings or baseball caps/hats within school. If wearing a hooded top, they will not be allowed to have the hood up on the school grounds. They should also not wear any clothes with potentially rude or offensive images/logo.

The second event is a ‘Film Night’ for our **Bronze Award winners**, which our Heads of House have kindly offered to organise. Bronze Award winners are some of our most motivated and focused students, those who have earned **over 50 House Points to date in the school year**. The Film Night also takes place on Friday 16th December. An age-appropriate film will be shown, after school, in the main hall. There will be some food and refreshments provided, free of charge, to students who join us on the evening. A tuck shop will also be available and students are encouraged to bring a small sum of money, should they wish, to buy some light refreshments. Students may also bring their own ‘tuck’.

The film showing will start at approximately 3.30pm and will finish by 5.30pm. Your son/daughter will be dismissed at this time. Students’ will be supervised by Heads of Houses and their House Captains.

Please do encourage your son or daughter to aim high with their points total for each term and throughout the year. The House Points are discussed, with Form Tutors, in class on a weekly basis and students are made aware of their personal totals throughout the year.

We hope to see lots of non-uniformed students on Friday 16th December and we encourage students to up their efforts in the week ahead to ensure they reach their initial target of 10 points for this term and, after that, to continue working hard to achieve their Bronze, Silver and Gold awards.
Yours sincerely,

Mr J. Still (Head of Conquest)
