Dear Parent/Carer

We are able to offer students exam practice workbooks and revision cards to supplement their CGP revision guides. We will be providing plenty of exam practice in lessons. However, we are aware that some students like to use additional revision materials as well.

Students may purchase CGP workbooks and revision cards at a discounted rate from the school.

If you wish to take advantage of this offer, please would you indicate below which revision materials you would like to purchase and return with payment to Miss Wilson.

Yours Sincerely,

Miss Wilson
Head of Science

Please return to Miss Wilson, Head of Science by 30th November 2018

I would like to order the following revision resources and enclose payment for the amount of
