Dear Parent/Carer

Important information - GCSE and A level exams 2020

During the spring term, students will be provided with timetables that will detail when their GCSE/A level exams will take place. As students take a variety of subjects, the date of their final public exam in June may differ from that of their peers.

For the summer 2020 exam series, a contingency exam day has been arranged by the Joint Council for Qualifications, which students need to be aware of. This is an additional day at the end of the exam period which will be used in the unlikely event of major local or national disruption to the examinations. The date that has been set aside as the contingency day is **Wednesday 24th June 2020**.

With this in mind, all examination candidates should ensure that they are available until 24th June 2020, should there be exceptional circumstances that require an awarding body to reschedule an examination.

If you have any queries on this matter please do not hesitate to contact me on e.fox@tsatrust.org.uk.

Yours faithfully,

Mrs E Fox
Examinations Officer
