

18th June 2020

Dear Parent/Carer,

I wrote to you earlier in the year about the Marketing & Enterprise course your child is studying. I am writing to confirm that your child will continue to study Marketing & Enterprise next year to enable completion of the course.

Students were due to sit an exam this summer (worth 40% of the overall mark) which unfortunately, due to the cancellation of all the public exams this summer, they were unable to do. We are in constant contact and will continue to liaise with the Examinations Board in September and will keep you updated.

Students have coursework to complete next year (worth 60% of the overall mark) which will be the focus of the lessons.

Unfortunately, students can only complete their coursework in controlled assessment conditions which means it can only be completed whilst at school. Therefore, lessons in the next academic year will be focusing, primarily, on coursework as we have 2 units to complete. Work set for the rest of Term 6 will be a mock task which will benefit students next year when they are completing their real coursework. It is vitally important for students to complete this task to help them be as best prepared as they can be for next year.

Please do not hesitate to contact me should you have any questions about any aspect of this.

Kind regards,

Miss S Lyons
Head of Business, Enterprise & Marketing
Holcombe Grammar School
